Location

Telford is located within the Borough of Telford & Wrekin, Shropshire, approximately 56km (35 miles) northwest of Birmingham, 34km (21 miles) west of Wolverhampton, and 273km (170 miles) north-west of London.

Road communications are excellent with the town straddling the M54 motorway and being accessed from Junctions 4, 5 and 6. The M54 connects with the M6, approximately 32km (20 miles) to the east and the national motorway network thereafter.

Rail links to both Birmingham and London (via Birmingham) are excellent. Up to four services per hour operate to Birmingham at peak times and two services per hour to London. Birmingham airport is located approximately 74km (46 miles) to the south-east, operating extensive domestic and international services. Telford was a designated New Town between 1968 and 1991 and this has provided the impetus for the town to become a significant regional office centre.
